

**Object: Co-operation Project “European Way of Lace and Embroidery”**

Dear President,

the LAG Trasimeno-Orvietano in Città della Pieve, province of Perugia - Umbria Region (Italy), intends to carry out a co-operation project based on the development of the peculiarities that characterize its territory and in particular on the activities related to handmade production of lace and embroidery.

The project have to include:

- Activities aimed at obtaining an exchange of ideas and in-depth of lace and embroidery techniques;
- Activities aimed at promoting the places and the "works" realized;
- Design and creation of a structure that allow to aggregate the various subjects operating in embroidery and lace field, as well as the Authorities, associations and bodies responsible for supporting information and promotion activities.

Considering that embroidery and lace are activities that also characterize your Country, we are asking you to send us contacts of LAGs that have these peculiarities.

Thank you and we look forward to having the requested information.

Best regards

**President**
